Herbs Etc is again sponsoring the NSP Quarterly meeting on September 20, 2021, from 9 a.m.—5 p.m.

There are several topics to be discussed at this FREE seminar.

Dr. Baker will get you caught up on the most current events:

- ◆ Handling the concerns of female bleeding, bleeding in men and future infertility
- ◆ NSP's new personalized herbal programs
- ◆ Understanding retroviruses and how to survive them
- ◆ Remedies for youth with stress, anxiety, and depression

There is no need to RSVP, just show up! Lunch break will be from 12:30—2. Bring your own lunch, or support the locally owned restaurants downtown.

This will be an information packed day, and you won't want to miss a bit of it.

Bring pen, paper, and highlighter to get the most out of this presentation
