Reveal Your Health in **COLOR** with

## Thermography

Monday, September 26, 2022

- ✓ Discover physical disturbances to restore optimal health
- ✓ Specific evaluation of skin temperature patterns which may reflect abnormal function
- ✓ Completely safe, painless, and extremely effective
- ✓ A proven adjunctive assessment for breast cancer, diabetes, headaches, pain, neck and back problems, arthritis, soft tissue injury, and other physical problems

Appointments available at:  
Herbs Etc.

503 East Broadway St. Mt. Pleasant, MI 48858
